

Certificate of Internship

This is to certify that **Mohammad Adi** had participated in a workshop-based Internship program on Augmented and Virtual Reality conducted by Enterprise Building Training Solutions from 3rd June 2024 to 5th July 2024.

The above participant was assigned a project on **Display 3D Model.** The participant was expected to demonstrate the technical knowledge gained and how to apply the same while executing the project. The timeline to complete the project was two weeks.

During the internship, the participant demonstrated good technical skills with a self-motivated attitude to learn new things. The performance met expectations and the project was successfully completed on time.

We wish the participant all the best for future endeavors.

For Enterprise Building Training Solutions.
